

Providing cable television services to the Mad River Valley since 1982

## Programming Highlights

### Premiering This Fall...

#### Community — NBC

Joel McHale stars as an ethically challenged attorney who is forced to go back to community college. There, he meets a ragtag bunch of misfit toys, including an understated Chevy Chase, Gillian Jacobs and *Mad Men's* Alison Brie who all yearn for some higher learning, despite their obvious deficiencies out in the real world. *Community* airs on Tuesdays at 9:30 p.m. on NBC, Waitsfield Cable channels 5 and 205 in HD.

#### Flash Forward — ABC

ABC has high hopes for this series, centered around a bizarre event that allows millions of people to briefly see flashes of the future. What do they see? What does it mean? And should people be worried if they don't have a future? Watch to find out. *Flash Forward* airs on Thursdays at 8:00 p.m. on ABC, Waitsfield Cable channels 4 and 204 in HD.

#### Glee — Fox

If you watched Fox's preview this spring, you can already hum along with *Glee*, but fall episodes will reveal that the dark high school dramedy is about more than just singing. Mr. Shuster (Matthew Morrison) needs six more students to compete at regionals; recruiting them is where the fun starts. Jane Lynch is a dream as an iron-fisted cheerleading coach. Kristin Chenoweth, Victor Garber and rapper Eve will all guest-star. *Glee* airs on Wednesdays at 9:00 p.m. on Fox, Waitsfield Cable channels 7 and 207 in HD.

#### Melrose Place — The CW

The CW's remake of the soapy '90s melodrama features many familiar archetypes: the brooding bad boy, the nice couple, and the seemingly naive young woman who hides a dark side, to name three. The new show departs from its source material with a mystery storyline concerning a dead body that appears, Sunset Boulevard-style, in the apartment complex's pool. Vets Laura Leighton and Thomas Calabro co-star. *Melrose Place* airs on Tuesdays at 9:00 p.m. on The CW, Waitsfield Cable channel 20.

## Waitsfield Cable News

### New HD Channels Added To Lineup This Summer

Waitsfield Cable has added ten new high-definition (HD) channels to its all-digital network. The new channels that will be included in the Preferred cable package include:

- Biography HD (channel 307)
- Planet Green HD (channel 282)

- Science HD (channel 306)
- Style HD (channel 273)

The new channels that will be included in the Standard cable package include:

- Animal Planet HD (channel 303)
- Discovery HD (channel 301)
- E! HD (channel 288)
- History HD (channel 302)
- FX HD (channel 214)
- TLC HD (channel 277)

High-Definition programming is available to Waitsfield Cable customers who subscribe to a high-definition set-top box and have a HD capable television. We are very pleased to be able to offer these additional high-definition channels to our customers. This brings the total number of high-definition channels on our network to 38 and we look forward to adding more in the future. For more information and to view our Channel Guide, please visit [www.waitsfieldcable.com](http://www.waitsfieldcable.com), or contact our Customer Service Department at 496-5800.

### Universal Remote Tip

Did you know you can program your universal remote to operate your TV, VCR, DVD player, and audio equipment if you choose. Simply follow the steps below and don't hesitate to contact us if you have any questions. Visit our website at [www.waitsfieldcable.com/support/remote.shtml](http://www.waitsfieldcable.com/support/remote.shtml) to find the codes for the manufacturer of the equipment you would like to program. We recommend that you start with your TV.

**Step 2.** Turn on your TV

Continued on reverse side ▶

◀Continued from reverse side

or other equipment that you want to program.

**Step 3.** Press the TV button and the OK/SEL button simultaneously for 3 seconds. The Component LED light will turn on for 30 seconds indicating the unit is ready to be programmed.

**Step 4.** Point the remote control toward your TV and enter the 3-digit code number assigned to your brand. If the 3-digit code number you just entered is correct, your TV or other equipment you are programming will turn off. If it did not turn off, continue entering the next code numbers until the device you are programming turns off.

**Step 5.** After you've entered the correct code number and the device you are programming has turned off, press the POWER button to turn the device back on. Now it is time to test the VOLUME and MUTE buttons for the TV to make sure they all work. If any of the functions do not work as they should, repeat from STEP 3 using the next 3-digit code number listed for that brand until you find the one that works.

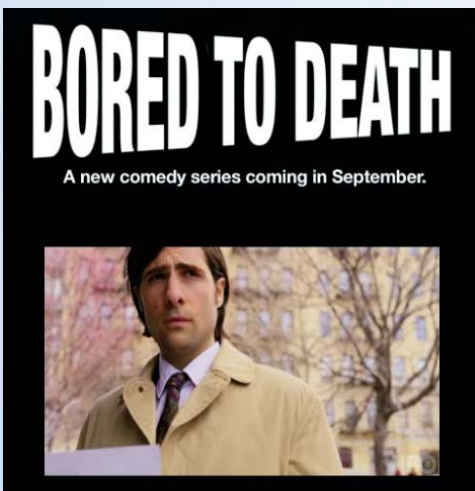

**Step 6.** Once you have found the correct 3-digit code, save it by pressing the same COMPONENT button one more time. The Component LED light will blink twice to confirm the code was successfully stored.

**Step 7.** Repeat the process for each piece of equipment you want to program.

## Premium Channels

### "Bored To Death" Premiering on HBO

HBO's comedy *Bored to Death* centers on Jonathan (Jason Schwartzman), a struggling thirtysomething Brooklyn writer who, after a painful breakup with his girlfriend, decides to refashion himself as a private detective in the vein of Raymond Chandler and Dashiell Hammett heroes. Jonathan takes out an ad pretending to be a private detective and starts taking cases, solving some and making others worse. *Bored to Death* also co-stars Ted Danson

and Zach Galifianakis. *Bored to Death* premieres September 20 and airs at 9:30 p.m. on HBO, Waitsfield Cable channels 400 and 360 in HD.

## Mad River Valley TV

### August In The Valley Means Art And Governors...

This past August, the community as well as MRVTV volunteers and staff got to enjoy the many workshops, garden and house tours, culinary classes, and musical masterpieces of the Vermont Festival of the Arts. In addition, the Valley welcomed current Governor Douglas and past Governor Kunin on separate occasions and MRVTV was on hand to showcase their visits.

Governor Jim Douglas was the honored guest and ribbon-cutter at the grand opening of the Warren Public Library in the newly refurbished Warren Town Hall. Many patrons and friends joined the staff and volunteers in a gala celebration of over 2 years of planning and construction to move the Library from the Municipal building into the historic town Hall.

Governor Madeleine Kunin was the keynote speaker at a recent Valley conference featuring many Vermont teachers of the Year. "Vermont Teachers at The Table" was a planning forum encouraging teachers to help put their stamp on the legislation being crafted to replace "No Child Left Behind." Governor Kunin spoke about how teachers can make an impact precisely because of their experience in the classroom, and related many stories of her years in politics and her perspective on power.

As always, Mad River Valley Television encourages you to watch and contribute to the fabulous programming you can only get on Waitsfield Cable channels 44 and 45. Please visit our studio located at 4429 Bridge Street in the red clapboard building just down from the Spotted Cow. For more information, visit our website at [www.mrvtv.com](http://www.mrvtv.com) or call 583-4488.

*Below: Governor Douglas cuts the ribbon with Warren Librarian Deborah Kahn as Commissioner Helen Bridgewater, who welcomed the crowd, looks on.*

*Above: Governor Kunin signs her book, "Pearls Politics and Power" for the conference attendees. Below: Builder Larry Ruggles chats with Governor Jim Douglas, Public Works Director Barry Simpson and Architect Ellen Strauss.*
